Army of the Confederate States  
Certificate of Disability for Discharge.

The Army Dirs. of Captain Theodor Podewitz's  
company F of the regiment of Confederate States  
Co. B was enlisted by J. E. Stevens of the  
regiment of P. C. Woods at San Antonio the  
thirty-one day of March, 1862. to serve three years and  
during the war. He was born in Germany in the  
State of Hannover.

is 32 years of age, 5 feet 7 inches high, light complexion,  
blue eyes, brown hair, and by occupation when enlisted

During last three months said soldier  
has been unfit for duty 55 days.

✓ J. H. Podewitz  
Capt. Company C

I certify that I have carefully examined the  
said Army Dirs. of Captain Podewitz's

company and find him incapable of performing  
the duties of a soldier, because of injury to the right  
forearm resulting from maltreatment of a fracture of the radius, (owing  
to tight bandaging without the necessary precautions to preserve the inter-  
osseous space) Suppuration of the forearm cannot take place and adhesion  
of the tendons prevents full flexion or extension of the hand. Said soldier  
was treated by a physician in private practice in my opinion he should be  
discharged.

I certify that I have carefully examined Stevens, D.

unfit for performing the duties of a soldier because  
of the spine caused by a fall some  
years since. In my opinion there was a slight  
dislocation of the vertebra, hence any sudden fall  
back to the body prostrates him. He has been

Since the war began I have written  
several letters to Col Hillborn stating my  
case and asking to be released but all  
to no effect. I wrote one to Gen Banks  
who directed his adjt Gen Crosby informed  
that my case had been forwarded to  
Washington and I would be kept here  
subject to the order of the Secretary of War.  
It is now one month since I received the  
letter from Mr Crosby and I should have  
heard from the Secretary of War long ago.  
Gen I am led to believe there is something  
rascally going on that is in my case  
and many others with me. I refused to  
be exchanged Col Hillborn told me I  
would be released in a day or two but oh  
how false it was that was in Gen  
Banks that you can have reference without  
any trouble I send you a copy of the  
[Gen Orders No. 64]

War Department,  
Adjutant General's Office,  
Washington February 18. 1864.

Refugees and Rebel Deserters  
Whenever refugees from within the rebel lines, or  
deserters from the rebel armies, present themselves  
at U.S. camps, or military posts, they will  
be immediately examined by the provost  
marshal, with a view to determine their  
character and their motives in giving themselves up.

If it appear that they are honest in their intention of forever deserting the rebel cause, care will be taken to explain to them that they will not be forced to serve in the U.S. army against the rebels, nor be kept in confinement. The President's proclamation of December 8. 1863 will be read to them and, if they so desire, the oath therein prescribed will be administered to them. They will then be questioned as to whether they desire employment from the United States, and if such arrangements as may be expedient will be made by the several army commanders for employing them on government work within their commands. Those who come to the army of the Potomac will be forwarded to the military governor of the District of Columbia at Washington with reports in their cases, that employment may be given them if desired, or if not, that they may be sent as far north as Philadelphia.

By Order of the Secretary of War;

E. D. Townsend

Assistant Adjutant General.

Official:

Assistant Adjutant General

Now Gen. under this order I ask to be released. I have been in prison more than one year for my love of the U.S. and I think I deserve better treatment than I am receiving from those who ought to be my friends.

Monmouth Prison. Aug 10<sup>th</sup> 1864

Major Gen E. R. S. Canby

Sir I  
beg permission to call your special attention  
to my present situation and case  
I live at Salina Illinois was born and  
raised there I took a ramble nearly five  
years ago to the state of Texas to see the  
country and was unable to get away  
before I was put in the army I was put  
in prison nearly fifteen months ago  
for disloyalty to the so called Confederate  
Government I made my escape from  
prison and after travelling nearly four  
hundred miles <sup>in 30 days</sup> I got within fifty miles  
of your lines when I was recaptured I was  
confined in irons until the first of Nov  
I was then put on a forced march to  
Louisiana where I deserted my regiment  
and gave myself up to Federal authorities  
I expressed my willingness to take the  
oath of allegiance and be sent home to  
my friends The man that I surrendered  
to failed to register me as a deserter and  
by some mistake I was first drawn as a prisoner  
of war I was told in Alexandria that  
I would be released as soon as I got  
to New Orleans but I am still in  
prison much to my dislike and I do  
really think as disgraceful an act  
as keeping me this way has not been  
done before by the US Government

I certify that I have carefully examined Charles P. Gains  
of Captain S. M. Holmes Co (K) and find him suffering from chronic  
inflammation of the urethra and neck of the bladder. This causes  
constant suffering and partial retention of urine after protracted  
exposure on horseback. Mr Gains has only come under my  
observation at the time of his examination. In my  
opinion he may be relieved in two or three months.

I respectfully re-

systemic disease, and was compelled  
to undergo treatment several times which  
completely placed my system under the  
influence of mercury. And in con-  
sequence thereof my constitution has  
become so impaired that it is im-

during that time I could perform my

By Judge Advocate.

Ques

State if you are acquainted with the accused, and  
if so, state also you may know, if anything, of the  
difficulty with the city police, state where it occurred  
and when?

Ans

Over at the Market House, in this city (San Antonio) some  
time about June, I went in there and found the accused,  
and he had a pistol drawn on one of the policemen.  
(The pistol was a maverick shooter, named Ryan.  
When I went in there I ordered the accused to put up  
his pistol, and he refused to do it; he then threw his  
pistol down on the ground and told me to stand off. I left him  
and commenced talking with him, and got him to put  
up his pistol. I then started towards him to arrest him  
and he again put his hand on his pistol, and told me  
to stand off. Before he could grab his pistol I got hold  
of his arm, and Dyer, the city Marshall, grabbed hold of the  
other arm, and I turned him over to the police and they took  
him to jail. He (accused) was very drunk at the time.

Ques

Did you hear the accused make any threats, at the time he  
was arrested?

Ans

When I came up he was threatening to shoot the policeman.

Ans. I think the accused was pretty light at the time.

By the accused State all you may know about the difficulty that occurred between the accused and the city police.

Ans. Early in the morning, at the Market House, the accused was there and was very drunk. Two policemen came into the Market House near to the accused, and the accused seemed to think they wanted to arrest him, and pulled out his six shooter, and asked them if they came there to arrest him. One of the policemen then went off, and the other said that he did not want to arrest him, and about that time Capt. Horne came in, and went towards the accused, and asked him to give up his pistol. And the accused replied, something about loving the Captain, but that he would not let any man have his six shooter. About that time the police came in and arrested the accused and took him off.

Ques. Was not the accused quiet at the time the police first came in?

Ans. Yes, he and all the balances were very quiet, drinking coffee, and making no disturbance.

Ques. At the time the police came in, and seemed to be coming towards the accused did not someone call to the accused to shoot, and did he not refuse to do so, saying that he was going to camp?

Ans. All I remember is, that at the time the police came the boys got up and said we have all got pistols and you shall not be arrested.

Ques. Did the accused seem disposed to hurt anyone at the time.

Ans. No. He did not want to hurt anyone.

By the Court

Ques. Were you present looking on during all the difficulty?

Ans. Yes, I saw them during the time they were in the Market House.

Ques. To what Company does the accused belong?  
Ans. I am Captain of the Company to which he belongs.  
Ques. How came the accused to be in San Antonio that day?  
Ans. He had had a difficulty, a short time before, in San Antonio, and had been arrested, and I told the marshal that I would be responsible for his appearance at the trial, and at the time the difficulty occurred, referred to above, the accused was in San Antonio to stand his trial.

Cross examined by Accused.

Ques. Had you any reason to suppose that the accused owed you any malice, or the contrary, is it not probable that the accused did not know you at all?

Ans. I take it for granted that he would not have acted as he did if he had been sober - still I think he knew me when the difficulty occurred.

Ques. Has not the accused always discharged his duty well as a soldier?

Ans. He had been a member of my company but a short time, but, so far as I know, he had always discharged his duty well as a soldier.

William Lyons, of the City Police, San Antonio, duly sworn.  
By Judge Advocate.

Ques. State all you may know about the charge against the accused?

Ans. Some time about two months ago, during this year, in the city of San Antonio, I was called upon to arrest the accused by Capt. Stevens. We went up to him, and he appeared to be very much excited. He had his pistol about half out of the scabbard, we took his pistol away from him and arrested him. He (the accused) and another man named Coleman, resisted as much as they could.

Ques. Did he threaten to shoot Capt. Stevens, or any of the police?

(6)

Ans. He threatened to shoot the police several times, but I did not hear him threaten to shoot Capt. Stevens, but he resisted all of us, including Capt. Stevens, when we attempted to arrest him.

The Judge Advocate here informed the Court that all the evidence for the prosecution had been presented, and that the prosecution was closed.

Dr. James Williams, a witness for the accused, duly sworn.  
By the Accused.

Ques. State all you may know about the difficulty between the accused, and the city police?

Ans. I was present and saw a portion of the difficulty, which occurred in the market house in San Antonio, my attention was attracted to a disturbance between the accused and another man and the city police, the accused seemed to have a drawn pistol on his hand. Very shortly after this, a gentleman whom they styled Captain, passed in between the police and the accused, and endeavored to obtain the pistol from the accused. As he advanced upon the accused, the accused walked back and said - "I love you Captain, but I don't give away my pistol." About this time he was seized by the police, and the pistol taken from him.

Ques. Could not the accused have shot either Capt. Stevens or the police, had he desired to do so?

Ans. Had his pistol been loaded, he undoubtedly could have done so.

Ques. From the conduct of the accused towards the Captain, state whether he appeared to bear any malice or intended to be insubordinate?

Ans. On the contrary, I do not think he bore any malice towards the Captain.  
By the Court

Ques. In alluding to the Market House, to which do you refer?

Ans. I refer to the Market House on ~~La~~ <sup>San</sup> Antonio Street, near the Bull's Head.

Ques. Was the accused drunk or sober at the time of the assault?

18) Ques Did you see the accused draw his pistol on Capt Stevens?

Ans No, Sir. - He drew his pistol before Capt Stevens came in, and still held it in his hand. He held the pistol down and never raised it the whole time.

By Judge Advocate.

Ques How long has accused been in jail?

Ans I believe he has been in jail since the time of the offense, or at least under guard.

Capt Stevens recalled by the Court.

Ques Do you think the accused was aware that he was committing a military offense in leveling his pistol on you, an officer? if so, why do you think so?

Ans I don't know whether he did or not. It never had at that time read the articles of war to my Company.

Ques Do you know whether or not, he had, before, at any time, while in the service, the articles of war read to him by any one else, either in your Company, or elsewhere?

Ans Not to my knowledge.

All the evidence on both sides having been heard, the Judge Advocate asked the accused, Jackson being, private in Company D, Woods Regt. I.C. if he desired further time to prepare his final defense, and if so, how long a time? The accused replied, that he desired further time, to wit: until 9 o'clock A.M. of tomorrow, Oct 16<sup>th</sup> 1862.

The Court adjourned, to meet at 9 o'clock A.M. Oct 16<sup>th</sup> 1862.

9 o'clock, A.M. San Antonio, Oct 16th 1862.

The Court met pursuant to adjournment.

Present Lieut Col. Nat. Benton. Woods Regt. 56  
Maj. Jos. Taylor. - 11th La.  
Capt. J. C. Roundtree. - Partisan Corps.  
Capt. J. G. Stanton. - 1st La. Cavalry  
Capt. J. H. Stevens. - Woods Regt. 56.  
Lieut. O. A. Lockell. - 2nd S. M. R.  
Lieut. Richd. Taylor. - Partisan Corps.  
Lieut. J. H. Brown. - Infantry unattached  
Lieut. C. R. Beatty. - Taylor's Batt. Cav.  
Lieut. James Wille. - &

Capt. C. S. West, Judge, Advocate.

The accused, Jackson Helm, of Company 2 Woods Regt. 56, also present.

The proceedings of yesterday were read over, when the written defence of the accused, Jackson Helm, Co. 2, Woods Regt. 56, was presented and read, (17) which is appended to these proceedings.

The Judge Advocate stated that he did not desire to make any reply to the said defence.

The evidence being thus in the possession of the Court, the Court was closed for deliberation, and thereupon the Court, through its presiding officer, required of the Judge Advocate his opinion as to the sufficiency of the specification under the second charge, and thereupon the Judge Advocate gave his opinion that the specification was insufficient in this, that it failed to state the time and place of the commission of the alleged offence, and further, that even if the facts charged, were proved, they were not sufficient to sustain the charge alleged, and therefore the Court declines further to consider the specification, and proceeding maturely to consider the other specifications and charges, find the accused, Jackson Helm, a private of Capt. E. A. Stevens Co. 3 of Woods Regt. 56, Guilty.

(18) as follows:

Of the specification to 1st charge - Guilty.

Of the 1st charge - Guilty.

Of the 2nd charge - Not Guilty.

And the Court do therefore sentence the accused, private Jackson Helm, of Capt. Stevens Co. 3, Woods Regt. 56, to fifteen days hard labor, under charge of the guard.

The Court is thus lenient in its sentence in consideration of the long confinement of the accused, and for other reasons appearing in the evidence.

Defence

I ask the indulgence of the Court to submit a few words in defence of the accused - not in justification of his acts, but some what in extenuation since to ask at your Honors such leniency as the facts in this case may permit and as shall not do violence to your sense of official duty.

The first charge only is supported in any manner by the testimony, we shall therefore direct the attention of the Court to that charge alone.

That the accused was drunk at the time set forth in the specifications we do not deny, but the evidence wholly fails to show any malice or evil design on his part.

The Court will remember that the accused ~~that the accused~~ was not within the limits of his Garrison or Camp at the time of his drunkenness, nor does it appear that he was in Company with any soldiers.

There is no evidence that he had been guilty of any disorderly conduct or of any impertinence until the police men came into the market, strangers to him, when he asked them if they were going to arrest him and upon being told that they were not going to arrest him he was again quiet, though he had drawn his pistol, and so remained until other parties came in among them Capt Stevens, who seeing the accused

in the battle of Cato's there while looking for  
life for our corner.  
While it may be a little easier for those  
preference to defend to make his efforts, in  
some, however, there is not sufficient time  
a little thought while there with a paper  
commission in their pockets may say  
early with "John" but are as large as  
investigation over?  
The answer is yes a little more and

beginning of the year and should

in the battle of Coke's Hill while perishing his  
life for our cause.

While it may be a high crime for a  
private soldier to indulge his appetite for  
four months, should we not regard him as  
a little child - while those with a proper  
commission in their pockets may go  
daily with "Pikes" bent and be safe from  
investigation now?

The accused is a good soldier and  
has served his country well from the very  
beginning of the war. and humbly asks  
that he may be permitted to return  
to his home, and once again serve his  
country.

Now regrets more than the accused  
the unfortunate circumstance, and he is  
anxious to wipe out the stain  
from his soldier's name.

He throws himself upon the clemency  
of the Court, and asks that liberality  
and leniency be shown to him.

John J. Hill

no doubt supposing him in a difficult, instantly,  
and without any explanation, attempted to  
arrest him & take from him his pistol.  
The accused at the time evidently was laboring  
under the drunken hallucination of some  
lawful arrest, hence it was, when first seeing  
the police men, though he had no knowledge at  
the time that they were policemen, he said, are  
you going to arrest me?

While as a general rule drunkenness can  
be no excuse for the commission of an offence,  
there are cases where it may be proper con-  
sideration & goes far to exculpate the accused of  
the intention necessary to constitute the  
crime.

"De Hosts says, where there is no act, or  
apparent disposition to commit the offence (there is)  
against the prisoner, and where it is so much as not  
such as to shock the sentiment of humanity -  
Courts must at times consider this excuse,  
having some right to consideration; though it  
must be remembered that it is only necessary in  
extenuation (if at all) of the smaller & lighter offences.  
De Hosts - p. 169.

There was no intention in Helms part to  
commit any offence, he only desired not  
to be arrested. He was away from his Company  
& Regiment where his people would inflict  
no military discipline or regulation.

And that he not already nearly paid the  
penalty of his little indiscretion or <sup>crime</sup> <sup>night</sup>  
by lying in a loathsome guard house for four  
long hot summer months, and 21 days  
of that time wearing a ball & chain, and that too  
a cripple & from a wound which
